

## Gigondas Sainte-Catherine

2020

"The 2020 Gigondas Sainte-Catherine is more focused and elegant, with medium-bodied richness as well as a supple, layered, seamless mouthfeel. Giving up fresh black fruits, garrigue, and peppery notes, it has fine tannins, integrated acidity, and outstanding length. It's another classy wine from this team. Jeb Dunnuck – March 2023."

### Vintage

Throughout the year, the planets were perfectly aligned: no frost, winter rains to replenish the soil and a generous summer sunshine without excessive heat. These ideal climatic conditions resulted in very healthy grapes and an excellent sanitary state. A remarkable 2020 vintage as much by the quality of the berries as by the duration of the harvest ! (8 weeks)

### Grape varieties

Grenache noir, Syrah

### Terroir

The vineyards are planted on soils that are rare in the Rhône Valley: limestone deposits, marl from the Jurassic and Cretaceous periods, sand and sandstone from the Tertiary era.

### Winemaking

Hand-picked. Maceration time varies according to grape variety: 3 weeks for Grenache, 4 weeks for Syrah, for optimal extraction of aromas and fruit, with temperature control between 28 and 30°C. Aged in vats and barrels for 12 months before bottling. Vegan wine.

### Agreements & Services

Enjoy with grilled red meats or warming mountain dishes. Serve between 13°C and 15°C, now or within 8 years.
