

Châteauneuf-Du-Pape

2012

"Intense, deep red colour. On the nose, aromas of black cherry and strawberry. Full-bodied on the palate with notes of ripe plums and spice. Rich, long finish. A wine that is already very enjoyable but also has good aging potential. (Tasted August 2014)"

Vintage

A dry and cold winter with many days of Mistral wind which left the vines healthy and disease-free. Followed a very wet Spring which pushed back the flowering by 2 weeks. The summer months were hot, allowing for an excellent concentration of the grapes. Harvest started on September 20th, under warm, sunny conditions.

Grape varieties

60% Grenache, 40% Syrah

Terroir

Selection of two terroirs to achieve a fine balance between strength and elegance:

- Rolled pebbles in the "La Crau" sector, on quaternary terraces for the Grenache grapes.
- Clay and limestone soils from the Cretaceous period and soft sandstone from the Miocene period for the Syrah grapes.

Winemaking

Manual harvest. Grapes are de-stemmed and crushed. A 21-day maceration period with regular punch-downs and rack & return (délestage) operations. Malolactic fermentation. 12 months élevage of the Syrah in 275-litre Laurus barrels (mix of new, 1-year and 2-year barrels).
