

Condrieu

2019

"I loved the 2019 Condrieu Laurus. A rich, textured Condrieu, but also balanced and fresh, a pleasure to drink. We find in this splendor, beautifully textured, a lot of honeydew melon, peach and apricot as well as some notes of spices and flowers." – Jeb Dunnuck, November 2020"

Vintage

In the Northern Rhone Valley, the vintage is of exceptionally high quality, showing both richness and freshness. Following a rather warm start to the spring, temperatures dropped and remained below seasonal averages until the beginning of summer. The vines then faced high temperatures in July and August. Thankfully, rain arrived at the beginning of the harvest, ensuring both quantity and quality for all of our appellations.

Grape varieties

100% Viognier

Terroir

The vineyards are located in the commune of Mallevall in the southern sector of the appellation. They are located at more than 300 m in altitude, with a south/south-eastern exposure. The soils are a combination of migmatite, granite and gneiss bringing exuberant aromas and strong mineral qualities to the Viognier grapes.
