

Côtes du Rhône

2020

"Crisp Mirabelle and apricot flavors are kissed by hints of vanilla and toasted marshmallow in this full-bodied blend of Marsanne, Clairette, Grenache Blanc and Roussanne. Sourced from high-altitude sites in the Dentelles de Montmirail, the penetrating, elegant dry white wears its oak influences gracefully. The wine is ready now but will hold through 2026." Anna Lee C. Iijima, 4/1/2022"

Vintage

The 2020 vintage is characterised by its precocity and a very beautiful aromatic expression. The harvest started 7 to 10 days earlier than the previous vintage. All the conditions were met for a very promising vintage: a rainy autumn ensuring an optimal replenishing of the ground water reserves, a mild and dry winter and a summer period marked by temperature spreads between day and night, ideal for fruit and acidity balance. The result: magnificent, healthy grapes, an early ripening and a beautiful maturity for all of the Domaine's appellations. 2020 is the first vintage certified organic for our Côtes du Rhône white.

Grape varieties

40% Marsanne, 30% Clairette, 20% Grenache blanc, 10% Roussanne

Terroir

The grapes come from "Trois Yeux" and "Teyssonnières" areas. The "Trois Yeux" area is nestled in the heart of the Dentelles de Montmirail at an altitude of 500 meters. This terroir is particularly adapted to white grape varieties. The vines are planted on a soil composed of limestone scree over Cretaceous marls, providing finesse and minerality to the wine.

Clairette grapes are planted on our parcel called "Teyssonnières" close to our cellar, on a mix of clay and sand soil. This typically southern grape variety brings freshness and complex aromas of white flowers.

Winemaking
