

Côtes du Rhône Villages

2016

"Ripe and fleshy, but soft and gentle in feel, with warm plum and raspberry compote notes gliding through, lined with black tea and incense accents that blossom and linger on the finish." Wine Spectator, March 2019"

Vintage

After a mild and dry winter, a spring without frost and a particularly hot summer, harvesting began several days later than 2015, with picking taking place between early to late September. During the harvest, weather conditions were truly exceptional, with warm clear days, fresh nights and some occasional light rainfall, stretching from early September all the way until the end of October. The sanitary state of the grapes throughout the region was excellent. So, this year again, the 2016 vintage is very qualitative particularly for southern appellations.
