

Côtes du Rhône Villages

2017

"It offers some resinous garrigue notes of rosemary and pine but also lovely cherry and blueberry fruit. It's medium to full-bodied but silky and agile, with an elegant finish."
Robert Parker, The Wine Advocate, November 2018"

Vintage

2017 is a promising vintage of the past few years with wines that are particularly elegant and harmonious, with superb, concentrated aromas and a solid ageing potential. The weather conditions during the growing season were difficult and extreme, resulting in a challenging task at harvest time. The high temperatures and almost total lack of rainfall since Springtime brought the harvest date forward by almost 10 days in many regions. Although these extreme conditions impacted heavily on the size of the harvest, with one of the smallest in the last 60 years, the quality is exceptional.

Grape varieties

60% Grenache, 35% Syrah, 5% Mourvèdre

Terroir

A selection of terroirs from the Gard and Vaucluse departments:
- Gard: rolled stones and clay sub-soil for the Grenaches that mature gently with no hydric stress
