

## Côtes du Rhône Villages Plan de Dieu

2018

"Dark colour with purple hints. Intense nose of black fruits and spicy aromas. The palate is fresh and balanced with delicious red-fruits notes and fine tannins. Very pleasant freshness with liquorice notes on the finish."

### Vintage

2018 was atypical in many ways. This vintage required a constant presence from the vineyards to the cellar. After a mild Winter, the wet and rainy Spring gave way to a beautiful Summer, favouring a very healthy development of the vines. September then ushered in an Indian Summer that proved to be more than ideal for the harvest, with cool nights and warm, sunny days. The harvest lasted for a total of 8 weeks, under ideal climatic conditions. The result is a generous and elegant vintage with a particularly aromatic profile and a superb balance.

### Grape varieties

50% Grenache, 50% Syrah

### Terroir

The vines lie between the villages of Travaillan and Camaret sur Aigues, on the vast alluvial terrace created by the Ouvèze, a once powerful sub-Alpine river.

This terrace is an accumulation of large round stones and limestone gravels, with a sprinkling of flint. Sand and clay form the matrix of these larger elements. This layer can reach up to 25 or 30 meters deep along the ancient riverbed. Subsequently, important climatic upheavals altered the surface of this terrace, breaking down the limestone, developing ferrous oxides and the apparition of more recent claybeds, which provide the Plan de Dieu with its characteristic red-brown hue.
