

Côtes-du-Rhône Villages Plan de Dieu

2020

"Beautiful deep ruby color with purple reflections. Aromas of black fruits (plum, black olive) and empyreumatic notes dominate the nose. On the palate, an assertive and imposing presence, the result of generously sunny weather, with flavours of tapenade, black cherry and garrigue spices. A beautiful acidity supports and gives freshness to this beautiful, generous and aromatic wine. Tasted in March 2023."

Vintage

The 2020 vintage is characterised by its precocity and a very **beautiful aromatic expression**. The harvest started 7 to 10 days earlier than the previous vintage. All the conditions were met for a very promising vintage: a rainy autumn ensuring an optimal replenishing of the ground water reserves, a mild and dry winter and a summer period marked by temperature spreads between day and night, ideal for fruit and acidity balance. The result: magnificent, healthy grapes, an early ripening and a beautiful maturity for all of the Domaine's appellations.

Terroir

The vines lie between the villages of Travaillan and Camaret sur Aigues, on the vast alluvial terrace created by the Ouvèze, an once powerful sub-Alpine river.

This terrace is an accumulation of large round stones and limestone gravels, with a sprinkling of flint. Sand and clay form the matrix of these larger elements. This layer can reach up to 25 or 30 meters deep along the ancient riverbed. Subsequently, important climatic upheavals altered the surface of this terrace, breaking down the limestone, developing ferrous oxides and the apparition of more recent claybeds, which provide the Plan de Dieu with its characteristic red-brown hue.

Winemaking
