

Gigondas - Organic

2020

"The 2020 Gigondas offers a classic, medium-bodied, nicely balanced profile that includes plenty of darker berry fruits, some garrigue, pepper and floral nuances, fine tannins, and a great finish. It's beautifully balanced and is perfect for drinking over the coming 8-10 years, although it will last longer. Jeb Dunnuek March 2023"

Vintage

The 2020 vintage is characterised by its precocity and a very **beautiful aromatic expression**. The harvest started 7 to 10 days earlier than the previous vintage. All the conditions were met for a very promissing vintage: a rainy autumn ensuring an optimal replenishing of the ground water reserves, a mild and dry winter and a summer period marked by temperature spreads between day and night, ideal for fruit and acidity balance. The result: magnificent, healthy grapes, an early ripening and a beautiful maturity for all of the Domaine's appellations. 2020 is the first vintage of our **Organic** Gigondas.
