

GABRIEL

Pays d'Oc Cabernet-Sauvignon

2021

"Deep purple-red colour and an intense and generous nose with well-ripened black-fruit aromas. This Cabernet-Sauvignon will seduce you by its flavours of black cherry and red pepper dominate the palate with a smooth and tasty finish."

Grape varieties

100% Cabernet-Sauvignon

Winemaking

The grapes are selected and harvested at optimum ripeness to preserve the rich varietal character. They are then de-stemmed and crushed and the juice fermented at controlled temperature. The wine is matured several months in tank before bottling. VEGAN WINE.
