

Beaumes de Venise

2017

"On the palate, this wine is round and elegant with velvety tannins. It's a well balanced wine which develops fruity (blackberry) aromas. Lots of freshness and a nice acidity on the finish."

Vintage

The 2017 vintage is one of the most promising of the past few years with wines that are particularly elegant and harmonious, with superb, concentrated aromas and a solid ageing potential. The weather conditions during the growing season were difficult and extreme, resulting in a challenging task at harvest time. The high temperatures and almost total lack of rainfall since Springtime brought the harvest date forward by almost 10 days in many regions. Although these extreme conditions impacted heavily on the size of the harvest, with one of the smallest in the last 60 years, the quality is exceptional.
