

Beaumes de Venise

2022

"A beautiful vermilion colour with hints of violet. The nose is rich and imposing, with aromas of cherries and sweet spices (nutmeg, cardamom, cinnamon). A strong presence on the palate, with a fine structure and a dense, silky texture with notes of black stone fruit and sweet spices for a long, persistent finish. (Tasted, October 2024)."

Vintage

A vintage with considerable sunshine in the Spring and Summer, similar to 2003. These conditions caused the vines to develop and ripen at a more accelerated pace. Flowering however took place relatively well and in good conditions. Welcome August rains stabilized the situation and allowed the harvest to take place between mid-August and mid-October. The result, from this atypical vintage, ended up producing wines with a solid structure and lovely deep fruit.
