

## Condrieu

2012

"Clear and glossy straw colour. Very expressive nose that includes the aromas of white flowers (acacia), apricot jam and notes of vanilla. Slightly salty and creamy to the palate. Pleasant mineral tension from the granitic soils, and intense long-lasting aromas (Feb. 2014)."

### Vintage

Winter was cold and dry. The water shortage was solved thanks to spring rains. Vigilance was at its peak throughout the vineyard in April and May due to significant variations in temperature and rainfall. August was marked by intense heat. The end of August and September brought a drop in temperature caused by the Mistral and rain. Harvest began on the 17th September, with low yield and excellent quality.

### Grape varieties

100% Viognier

### Terroir

Plots located in the commune of Malleval (in the Loire), at more than 300 m of altitude, with a south/south-eastern aspect. Soils are a combination of migmatite, granite and gneiss conferring fruity aromas and strong mineral qualities to these Viognier grapes.

### Winemaking
