

Côtes du Rhône Villages

2020

"The colour is a deep garnet red. This vintage has produced a bouquet of red and black fruits. The nose reveals powerful notes of black cherry, blackberry jam and garrigue. On the palate, the old vines from which the grapes come provide flavours of candied red fruit and a hint of balsamic, as well as a silky texture with round, elegant tannins and a long, savoury finish."

Vintage

Throughout the year, the planets were perfectly aligned: no frost, winter rains to replenish the soil and a warm summer without excessive heat. These ideal climatic conditions produced magnificent grapes with an early ripening and an excellent sanitary state. A remarkable vintage as much by the quality of the berries as by the length of the harvest ! (8 weeks)

Grape varieties

60% Grenache, 35% Syrah, 5% Mourvèdre

Terroir

Selection of terroirs in Vaucluse and Gard departments for their complementary characteristics:

- Cobbles with clay subsoil in the Gard for Grenache grapes that ripen slowly without water stress.
- Vaucluse: limestone and sandstone to express the fresh spicy aromas of Syrah, and south-facing clay for the complex notes of Mourvèdre.
