

Pays d'Oc Viognier

"Pale yellow colour with golden highlights. A Viognier with expressive and floral aromas. Round on the palate, with notes of apricot and mirabelle plums, with a saline touch that adds freshness and length. On the finish, a subtle note of bitter almond elegantly completes the aromatic palette."

Vintage

The spring of 2022 was cool and wet, slowing the start of the vegetative cycle, with budburst coming a little late. The record heat in May caused the vines to accelerate sharply, 30% faster than the average of the last 10 years. The rain in June was beneficial for the development of the grapes, combined with the beneficial influence of the Mistral and Tramontane winds. These winds regularly swept through the vineyards, drying out the leaves and limiting the risk of disease. All in all, an fine vintage with good natural acidity.
