

## Muscat Beaumes de Venise

2016

"Light golden colour. Perfumed nose of white flowers, crystallized orange and exotic fruits. Velvety palate with candied fruit flavours (quince, pear, peach). A delicious Muscat, full and smooth with a delicate finish."

### Vintage

After a mild and dry winter, a spring without frost and a particularly hot summer, harvesting began several days later than 2015, with picking taking place between early to late September. During the harvest, weather conditions were truly exceptional, with warm clear days, fresh nights and some occasional light rainfall, stretching from early September all the way until the end of October. The sanitary state of the grapes throughout the region was excellent. So, this year again, the 2016 vintage is very qualitative particularly for southern appellations.
