

Vacqueyras

2011

"Deep and dark red colour. The nose begins with ripe red fruit, spices and notes of the garrigue, which are typical of this particular terroir. To the palate it is generous and the silky smooth tannins are fully expressed, producing a fresh-tasting and elegant finish (June 2014)."

Vintage

The hot dry spring heralded an early harvest. But a contrasted summer (July was cool and wet, August hot and dry) followed by a fine Indian summer proved ideal for grape ripeness. Harvests began on the 14th September.

Terroir

Plots are selected on the "Garrigue" sector, on rocky soils of alluvial origin. This terroir produces dark wines, with notes of fruit and hints of spices.

Winemaking

De-stemming and pressing. Alternation of punch-downs and rack-and-return operations during the maceration stage. 15 months of élevage for the Syrah wine in 275-litre oak Laurus barrels (1, 2 and 3 wines).

Production: 6,600 bottles
