

LAURUS

Sélections Parcelles

Laurus means 'Laurel' in Latin, a Roman symbol of excellence. Here excellence is all about "terroir": the grapes are grown on plots we select for their ability to express the very best of each Appellation. The term "terroir" encompasses a soil, a climate and people. Here it is expressed through sustainable partnerships with wine-growers who share our vision. The maturing process in 275-litre Laurus barrels refines the structure, producing complex wines with plenty of character and good cellaring potential.

Châteauneuf-du-Pape

APPELLATION D'ORIGINE PROTÉGÉE

Châteauneuf-du-Pape vintage 2012

A dry and cold winter with many days of Mistral wind which left the vines healthy and disease-free. Followed a very wet Spring which pushed back the flowering by 2 weeks. The summer months were hot, allowing for an excellent concentration of the grapes. Harvest started on September 20th, under warm, sunny conditions.

TERROIR

Selection of two terroirs to achieve a fine balance between strength and elegance:

- Rolled pebbles in the "La Crau" sector, on quaternary terraces for the Grenache grapes.
- Clay and limestone soils from the Cretaceous period and soft sandstone from the Miocene period for the Syrah grapes.

WINEMAKING

Manual harvest. Grapes are de-stemmed and crushed. A 21-day maceration period with regular punch-downs and rack & return (délestage) operations. Malolactic fermentation. 12 months élevage of the Syrah in 275-litre Laurus barrels (mix of new, 1-year and 2-year barrels).

Production: 7,850 bottles
Bottled on: 8 July 2014

TASTING NOTES

Intense, deep red colour. On the nose, aromas of black cherry and strawberry. Full-bodied on the palate with notes of ripe plums and spice. Rich, long finish. A wine that is already very enjoyable but also has good aging potential. (Tasted August 2014)
